

Annual Conference 2025

LOUISVILLE, KENTUCKY
AUGUST 1-3, 2025

avte.net

Association of Veterinary Technician Educators

**a community passionately dedicated to
one concept — student success**

The AVTE champions One Community — a call to collaboration and engagement. It involves creating a sustainable framework for growth and innovation in veterinary technician education, strengthening students, faculty, programs, and the care delivery system we serve.

This initiative extends beyond formal meetings—it's about nurturing a culture where every stakeholder feels integral to our collective mission. We aim to build relationships beyond professional interactions, creating a network that supports, mentors, and inspires.

We invite all members of the veterinary education community to join us. Together, we can strengthen the next generation of veterinary technicians and demonstrate true "student-focused success." By embracing One Community, we uphold AVTE's values and further contribute to excellence in veterinary care.

Sponsorships & Exhibits

The AVTE Annual Conference is an opportunity to get your organization and brand out in front of most AVMA-accredited veterinary technology programs. In 2024, we welcomed more than 330 attendees and over 40 exhibitors.

Exhibitors and sponsors are not an afterthought at AVTE conferences - our program has ample opportunity for you to connect with attendees - both at your table and in educational sessions you are welcome to attend.

Our onsite team focuses on making sure your experience is simple and streamlined, giving you more time to focus on why you make the trip - to interact with attendees.

And we manage to have some fun at the same time - ask around about all we do to drive traffic to the booths!

Platinum Sponsor \$12,500

- Recognition as a sponsor in distributions to approx. 350 attendees at the Annual Conference, on respective signage throughout the event, with link on the AVTE website, in email blasts and social media related to the program
- One cover ad in the printed Summer 2025 issue of JAVTE and one ad in the digital Winter 2025 issue (or 2026 based on the time of sponsor commitment)
- Opportunity to contribute an item to the door prize and/or the swag bag (est. 350 pieces for swag bag)
- Complimentary exhibit booth with premium placement (including 2 attendees) and an additional 7 attendees and 7 memberships for 1 year
- Complimentary registration excludes fees for pre and post conference sessions, as well as any social programs
- Opportunity for a 2-3 minute presentation to attendees at the conference opening or closing session
- A discount registration code to share
- Social media posts acknowledging sponsorship
- One electronic mailing to the attendee list

Diamond Sponsor \$10,000

Exhibit Tables*

- Exhibit booths include 6' table (draped), two chairs, waste basket and electric, along with 2 full conference registrations.
- AVTE onsite staff is available for assistance with getting shipments to your booth before arrival and out with minimal hassle.
- Exhibitors and sponsors are welcome at ALL education and networking events.
- Over 300 attendees are expected, representing the vast majority of AVMA-accredited vet tech programs.
- Driving traffic to you is a priority - we build the space to maximize visits in route to sessions and throughout the program schedule.

Premium Table: \$980

Standard Table: \$875

* 2024 pricing if the commitment is made prior to January 31, 2025

What attendees are saying...

This particular conference is incredibly valuable for me on multiple levels. I wear several hats while in attendance. I am an instructor, program director, curriculum developer, and business owner. The breakout sessions provide motivation and inspiration for growth in so many areas. The networking opportunities are valuable from both the educator and business owner perspectives.

Great vendors! Dedicated community of educators. You can feel the passion oozing out of everyone.

What attendees are saying...

I took away A LOT from this conference and came back with so many good ideas and made a lot of new contacts!

I enjoyed the atmosphere of this event both through the topics presented and through the engagement with fellow colleagues. I feel that this conference provided a warm and inviting environment in which to network and share ideas.

I hope to incorporate a few new teaching strategies into the courses I teach.
